POLARIS

Spring Projects: Continued

THE OHIO STATE UNIVERSITY

Today's agenda

- Big group discussion
- Small group discussion
- Work time!

Big group Discussion

- Returning mentors:

  Anything you would like to share with everyone about the Spring Project?

  - Design, Plan, Carrying it out

Big group Discussion

- First-time mentors:

Anything you would like to ask? Worried about? Excited about?

Small Group Discussion

Direction:
Get in groups of 4~5 people. Try to sit with people you haven't met or worked with before!
Have at least one experienced mentor in the group

- **Start with knowing each other**:
  - Your name, what you are interested in / what you work with
  - (optional) Share one fun fact about yourself!
- **Everyone**: Share about the project idea(s) you have! Why do you want to do this project, and what are you excited about? How

Work Time

- Start writing your project outlines
  - Project Outline due Dec 9
  - Assignment available on Carmen now
  - Feedback in Jan

Work Time

- Resources:
  - Project cookbook: https://github.com/OSUPolaris/PMC-PC
